Marketplace Safety Tip

- Keep your money safe - never pay for items with cash or instant money transfer services, such as Western Union or MoneyGram. In the past some sellers have exploited these payment methods in order to defraud buyers, so eBay has banned them from the site.
- Received a Second Chance Offer email? Double check that it's genuine: Second Chance Offer emails come directly from eBay and are shown in your My Messages.

- Trade safely. Beware of anyone who contacts you about buying or selling outside of eBay. When you trade outside of eBay, you're not able to leave feedback or take advantage of protection programs and case resolution tools available on eBay. Report an inappropriate email.
- eBay helps guard your privacy and online safety when you use our messaging tools. If you and the member you're contacting haven't bought or sold from each other recently, our tools may make both of your email addresses anonymous.
